

## FONTLEY WAY PLANNING APPROVAL

POSTED: 17/09/2020

Wandsworth Council's Planning Committee voted unanimously in favour of the development of fourteen new family homes on Fontley Way. As well as replacement homes to enable the Alton regeneration, the development will deliver parking, secure cycle storage, landscape improvements, under-5 play and outdoor amenity space. The development will also make a contribution to the play area at Ibsley Gardens to improve facilities for children over the age of 5.

Following the departure of Redrow Homes from the Alton Regeneration, council officers are looking at alternative options to develop the site. Residents will be notified as soon as a delivery plan is identified and when a construction programme is agreed.
